From the Principal's Desk

*D*ear Students!

I am happy to welcome you to pursue higher education in Raha College. At present, the world is witnessing the worst pandemic in a century with the outbreak of COVID-19 virus. Our country being no exception – the government of India as well as the state government is doing its best to fight the menace tooth and nail. But at the same time, we being responsible citizens of the largest democratic country in the world must act prudently and follow all the safety guidelines prescribed by the Health ministry to save ourselves and our dear ones, in short, the entire society, from this scourge. Norms like social distancing, washing hands regularly with soap, putting on mask, and not spitting outside, must be adhered to rigorously. Till the time, a vaccine is available, we must diligently follow the instructions given by the government in this regard. Education, being a sphere, where social interaction is essential, has suffered the most in these turbulent times. Although, classes are being conducted in online mode through various platforms like mobile phones, computers, TVs, and other electronic devices, a percentage of students have suffered as they do not have these facilities at home. We are hopeful that things will improve significantly in the coming days and a normal environment conducive for studies will re-emerge. You are indeed blessed to find an opportunity to study in one of the best degree colleges in Nagaon district. Raha College has been serving the student community in their academic excellence for the last 55 years. Raha College, established in 1964, is the only degree college in Raha constituency offering degree course in Arts, Science and Commerce streams and is permanently affiliated to Gauhati University (GU). Besides, the college has three distance education study centers of Gauhati University (IDOL), Krishna Kanta Handique Open State University (KKHSOU) offering graduate, post graduate degrees along with diplomas and certificate courses and Assam State Open School (ASOS) offering higher secondary level course in Arts stream.

From the last academic session (2019-20), the Choice Based Credit System (CBCS) in our degree courses have been introduced.. The college also offers Higher Secondary course under Assam Higher Secondary Educational Council in the Arts, Science and Commerce streams have been introduced from the academic session 2018-19. Our college takes pride in being a place, where students can pursue knowledge at their own pace, aided by the rich faculty members, who guide them at every step. We strive to establish a vibrant learning environment that would expand the horizon of knowledge and skill. The concept of quality education has become a common feature of higher education in India and abroad. Our college was awarded "B" grade in NAAC accreditation (second cycle) in 2015. Keeping in pace with changing times, we have constructed modern digital classrooms, conference room, new science laboratories, new academic building, fully acoustic auditorium and renovated classrooms. The college has constructed a new digital library from the financial grant received from RUSA. We are thankful to RUSA and UGC for providing us financial support to construct new infrastructure in the college premises.

Our faculty members are sincerely dedicated to the task of imparting higher education to the students and they regularly attend refresher/orientation/ short term courses to keep them abreast of latest developments in their respective subjects. The college also holds national seminars, conferences and debate competitions and is engaged in the work of dissemination of knowledge. In today's world of cut-throat competition, it is essential to be equipped with appropriate knowledge, communication skills, values and the right attitude to become successful in life. A holistic development is the only answer to tide over the emerging challenges and difficulties posed by the uncertainties of the present time. Discipline and hard work is the key to success along with ambition and defining one's goals clearly. I, on behalf of Raha College family welcome all aspiring students to this college to scale new heights of success and achieve greater glory.

With warm wishes

Dr. Beda Kumar Chaliha

Foreword

Raha College provides the ideal ambience for students having a desire to pursue higher education in Three-year Degree course in the streams of Arts, Science and Commerce. The College introduced Science and Commerce stream from the academic session 2016-17. Set amidst the meadows and lush green foliage of resplendent trees, in a serene atmosphere within the town, the College offers an ideal location for teaching-learning ambits. It is located at a distance of one and half K.M. from Raha town Natun Chariali and can be approached from three main roads. It is only at a distance of 400 meter from the junction of NH-37 road toward Chaparmukh Railway junction. This seat of higher learning celebrated its Golden Jubilee in 2015 and was reaccredited "B" grade by the National Assessment and Accreditation Council (NAAC). The College has three distance education centers at present functioning under Gauhati University and Krishna Kanta Handique State Open University, offering BA and MA programmes, and Assam State Open School (ASOS) offering Higher Secondary level course in Arts stream.

The dream of setting up a seat of higher learning was achieved through the endeavor, zeal and aspiration of some far-sighted and enlightened social activists of greater Raha area, and it turned into a reality with the establishment of the College on 28th July 1964. Till date, Raha College is the only general degree college in Raha Legislative Assembly Constituency reserved for Scheduled Caste. The College is permanently affiliated to Gauhati University. Apart from the regular degree course, the College also runs the HS course in Arts, Science and Commerce streams as per AHSEC curriculum. The College has rich faculty members, a modern library and a Computer Centre. It is worth mentioning that the teaching-learning process has received a fillip with the introduction of state of art digital class rooms constructed with the financial assistance received from the Govt. of Assam. Under RUSA grant, new infrastructures like the new academic building, renovated acoustic auditorium, cycle stand, Science laboratory, renovated classrooms, etc, have been set up.

Goals and Objectives of the College

Raha College started its mission with zeal to promote higher education to the largely underdeveloped people of Raha locality since its inception in 1964. The mission of the College is to serve the rural youths by providing them with easy access to higher education and job opportunities. The College will strive towards integrated personality, growth of rural students in particular and students at large in which special attention is given to their intellectual, moral and cultural development. Another important objective of the College is to inculcate the spirit of inquisitiveness among the students and to instill in them the spirit of patriotism, dedication and humanistic values.

Vision

The vision of the College is to make it a seat of excellence and to uplift the living standards of the rural youths by imparting them higher education and fostering an enduring sense of discipline and single-minded dedication to their work.

Management

The College is managed by a Governing Body constituted by the Govt. of Assam as per provision of Rule 5 & 6 of the Assam Non Govt. College Management (Amendment) Rules 2009, as amended, at present with the following members:

Mr. Gunahash Bora
Dr. Beda Kr. Chaliha
Dr. Gajendra Mohan Dev Sarma
Mr Dimbeswar Das
Dr. Rajashree Bora
Mr. Mrinal Jyoti Sarma
Mr. Biswajit Bhuyan
Dr. Bhaben Ch. Neog
Mr. Mridul Kumar Medhi
Mrs. Champa Devi
Mr. Dibya Kumar Dewraja
Mr. Bhabananda Das
Mrs. Uma Devi
Mr. Guluk Ch. Nath

President, Governing Body.

Infrastructure Development

The college is endowed with excellent physical infrastructural facilities to support the teaching –learning process. The main campus is spread over 6.48 acres. The college has a spacious seminar/conference hall. There are adequate numbers of classrooms, separate departments, and separate departmental class rooms to facilitate the academic programmes. The infrastructure involves spacious class rooms, proper

lighting and ventilation, seating arrangement with proper visibility for both students and teachers. There are common rooms for boys and girls separately. There is a special arrangement for canteen for students and staff, and there is an auditorium cum indoor stadium. The college has hostel facility for boys and a girl's hostel is constructed. The details of the facilities available with the institution are as under.

Technology Enabled Learning Facility:

The College has an ICT Classroom where the provision of OHPs (Overhead Projectors), Multimedia Learning, Wi-Fi Connectivity is available. A new computer lab with 25 computers has been set up. The Computer Education Center is situated near the Central Library at present. The institute has set up a 25KVA eco-friendly silent generator for power backup to the campus during electric failure.

Conference Hall:

The College has one modern conference hall and it is regularly used for conducting Seminars, Conferences, etc

Hostel Facility:

The College has one Boy's Hostel within the college Campus. The number of seats available at present is 18. Hostel seats are allotted at the time of admission on the basis of merit. The girls hostel is nearing completion.

Laboratories:

The College has two well equipped laboratories in the Arts stream, one in Education department and the other in Geography department for conduct of practical classes during the session and in annual examination. New modern Science laboratories have been set up. The college received funds from RUSA for construction of science laboratories

Canteen Facility:

The College has a canteen in the campus. Students can have refreshment in the canteen during the college hour

Library Facility

Raha College Central library has more than 26,000 books which include text books, reference books, journals; magazines etc. The library remains open on all working days from 9.00 AM to 4.00 PM. Photostat facility is available at a nominal rate for students of the college. A student is provided with a card with the facility to borrow two books at a time for 15 days. A major or honors student gets the privilege for borrowing 4 books at a time. Students are to follow library rules. State of the art Digital Library is another important feature of the library

Sports Facility:

The College has always created a niche for itself in the field of sports. In sports, the college provides indoor and outdoor games

Outdoor Games

A Spacious 2 acre play ground is available for outdoor games i. e., cricket, football, athletics etc. in the college campus. There are separate volleyball and badminton courts in the campus. A practicing ground with nets for cricketers have been set up separately.

Indoor Games

Facilities for sports like Table Tennis, Chess, multi-gym, Carom, etc, are available to students. Gym facilities for both students and staff is available in tune with the Fit India initiative.

Auditorium cum Indoor Stadium

The College has a modern and state of art acoustic auditorium. The seating capacity of the auditorium is around 600.

Class Rooms:

All the departments have their individual classrooms for taking major/honors classes. Besides, there are sufficient classrooms, some of them renovated recently through RUSA funds to facilitate students in their learning.

Departmental Rooms:

The departments have been provided with individual rooms so that teachers can plan their classes and other related educational and co-curricular activities.

Regular Courses:

Two-year Higher Secondary (HS) Course in Arts:

Admission is given purely on merit and is subject to Assam Higher Secondary Education Council (AHSEC) Regulations.

Seats: 200

Two-year Higher Secondary (HS) Course in Science :

Admission is given purely on merit and is subject to Assam Higher Secondary Education Council (AHSEC) Regulations.

Seats: 50

Two-year Higher Secondary (HS) Course in Commerce :

Admission is given purely on merit and is subject to Assam Higher Secondary Education Council (AHSEC) Regulations.

Seats: 50

Courses of Study

Choice Based Credit System at Undergraduate level:

As per UGC recommendation Choice Based Credit System (CBCS) has been implemented in all colleges under Gauhati University from the academic session 2019-20 and Raha College is no exception CBCS offers the student a diversity of courses to choose from and the autonomy to decide on the place, pace and time of learning.

The UG degree programme in CBCS has courses spread across six-semesters. A typical semester comprises a minimum of 15 to 18 weeks of academic work that will translate into 90 actual teaching days. Two consecutive semesters—one Odd (June to November) and one Even (December to May) will make up an academic year.

Each student must take admission in three consecutive Academic Sessions starting with the first semester. Students who do not enroll in the Second Academic Session will not be eligible to take admission in the Third Academic Session. The minimum time requirement to acquire an undergraduate degree will be three years and the maximum time will be six years.

Types of Courses

In the line with UGC's guideline the courses are categorized as Core courses, Elective courses or Ability Enhancement courses. Core courses are to be compulsorily studied. An Elective course is to be chosen by the student from a pool of courses on offer and will essentially be of three types: Discipline Specific Elective Course, Generic Elective Course and Dissertation or Project. Ability enhancement Courses will also be of two types: Ability Enhancement Compulsory Courses and Skill Enhancement Courses.

Requirements for an Undergraduate Degree:

The following table indicates the requirements for successful completion of undergraduate degree in Gauhati University-

Degree	Minimum Requirement
Undergraduate Degree with Honours (all disciplines)	<ul style="list-style-type: none">• 14 core papers in that discipline• 2 Ability Enhancement Compulsory Courses• 2 Skill Enhancement Courses (minimum)• 4 Discipline Specific Elective• 4 Generic Elective papers
Undergraduate Degree (in Science)	<ul style="list-style-type: none">• 4 core papers in three disciplines of choice• 2 Ability Enhancement Compulsory Courses• 4 Skill Enhancement Courses (minimum)• 2 papers each of Discipline Specific Elective papers based on three disciplines of choice selected above, respectively
Undergraduate Degree in Humanities/Social Science/Commerce	<ul style="list-style-type: none">• 4 core papers in two disciplines of choice• 2 core papers each in English and MIL/Alt English respectively• 2 Ability Enhancement Compulsory courses• 4 Skill Enhancement Courses (minimum)• 2 papers each from a list of Discipline Specific Elective papers based on the two disciplines of choice selected above• 2 papers from the list of Generic Elective papers

Evaluation:

A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on Internal Assessment and End Semester Examination. To pass in a course/paper a student will have to pass in Internal Assessment and End Semester Examination separately.
