## About the Journal

The Educational Horizon is a peer-reviewed journal, correspondence in the fields of Education and social sciences. The aim of The Educational Horizon is to publish Original Research Articles, Short Communications, Review Articles in Education and Social Sciences. Main focus of the journal is to highlight the educational issues in the light of different social phenomenon and vice versa.

## Author guidelines

### General

All submitted manuscripts should contain original work neither published previously nor under consideration for publication elsewhere. Articles shall be accepted from any states of India provided submitted in English language only. There is no page limitation for articles; however authors must strive to present their results as clearly and concisely as possible. Authors, in their cover note to Editor, shall have to clearly mention whether the manuscript is to be considered as a Research article, Short communications or a Review article.

### Peer review

Manuscripts shall go through a peer review process to adjudge their suitability and authenticity, for publication in the journal.

### Submission of Manuscript

Authors should submit the articles only in MS-word 2003 or 2007 format, no other format is accepted. If equations were used it should be converted by using MS Office equation editor and pasted as image at proper place.

### Preparation of manuscripts

Manuscripts should be submitted as per order: Title Page, name of author (s), Abstract, Key words, Introduction, Material and Methods, Results, Discussion, Acknowledgements (if necessary) and References. If the Result and Discussion sections are combined, then a Conclusion section should be added.
