He strongly believes that each one of us is endowed with distinctive skills and expertise and hence it is through teamwork and collective endeavors that the best could be achieved in any field.</p> <p>Significantly, my long association with the field of open and distance education, (initially as a Counselor in Institute of Distance and Open Learning, Gauhati University and subsequently as a Faculty</p>	<p>Email: abhijitbhuyan@kksou.in</p> <p>Phone number: 98644-21517</p>

in K.K. Handiqui State Open University) has taught me how to develop and facilitate flexible and learner friendly pedagogical approaches which broaden access and realize quality commitments, while integrating appropriate technology in the delivery of content. Furthermore, prior to joining K.K. Handiqui State Open University, my exposure and experience as a Junior Research Fellow in Omeo Kumar Das Institute of Social Change and Development and subsequently as a Research Associate under Peace Studies, Omeo Kumar Das Institute of Social Change and Development has also helped me acquire a scientific orientation in terms of undertaking and supervising empirical research. I am consistently driven by a spirit of goodwill and dedication while endeavoring to fulfill organizational goals and objectives to which one must remain ever committed.
