

1. POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

RAHA COLLEGE POLICY DOCUMENT ON ENVIRONMENT AND ENERGY USAGE

RAHA COLLEGE ENVIRONMENT AND ENERGY USAGE POLICY DOCUMENT STRESSES ON MANAGING ENERGY EFFICIENTLY AND IN A SYSTEMATIC WAY IN ORDER TO MINIMIZE ITS IMPACT ON THE ENVIRONMENT.

THIS POLICY IS BINDING FOR ALL COMPONENTS OF THE INSTITUTION AND IT ALSO APPLIES TO ALL ITS STAKEHOLDERS AND TO THE VARIOUS ACTIVITIES/TASKS UNDERTAKEN BY THE COLLEGE.

OBJECTIVES OF THE POLICY:

- To make all stakeholders aware about environmental issues.
- To make all stakeholders understand their responsibilities towards energy conservation.
- To maintain a clean and green campus.
- To provide a plastic free campus.
- To sufficiently manage and implement procedures for waste management.
- To provide a pollution free healthy environment.

PLAN OF IMPLEMENTATION:

Raha College believes in sustainable development in all its activities and as such the following areas are given due importance for implementing the policy:

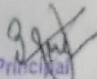

- Clean and Green campus.
- Ban on single use of plastic in the campus.
- Energy conservation and Management.
- Waste Management – solid, liquid and E-waste Management.
- Creating an awareness for a green and healthy environment.

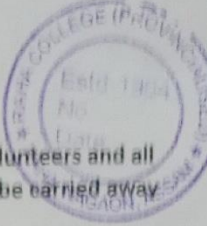

CLEAN AND GREEN CAMPUS:

- The College has abundance of greenery and it is prohibited to cut trees in the college campus.
- To undertake tree plantation drive in the College campus.
- To minimize vehicle emission in the campus and to encourage pedestrians and bicycle riders.

PLASTIC FREE ZONE:

- The College is a plastic free zone.
- The canteen of the College has been advised to use steel crockery, dishes, tumblers, etc. Single use plastic items should be completely avoided.

Principal
Raha College, Raha
Nagaon, Assam

- 
- The College campus should be periodically cleaned by NSS and NCC unit volunteers and all plastic materials found in the campus should be separated and they are to be carried away by Raha Municipality Board for further processing.

ENERGY CONSERVATION AND MANAGEMENT:

- To install and use LED bulbs and tubes in the College campus to save energy.
- To make students and staff aware about energy conservation by advising them to save energy in the College campus.
- To use power efficient tools and equipment in the laboratories.

WASTE MANAGEMENT:

- Two-way segregation of waste at source on campus.
- The wastes are to be kept in two dustbins – blue and green, and are to be carried away by Raha Municipality Board.
- E-waste is managed by Kareng technology, Guwahati.

GREEN AND HEALTHY ENVIRONMENT:

- An awareness programme is to be taken up for creating awareness about green and healthy environment.
- All stakeholders should participate in such activities and to offer opportunities to all stakeholders to engage in initiatives that will contribute towards environmental protection.

ACTION TAKEN REPORTS ON GREEN CAMPUS INITIATIVES

As part of Green campus initiatives, we always plant trees in the college premises during World Environment Day (June 5th) and we have continued this tradition from a long time. Discussions and lectures, along with quiz and drawing competition on the theme of “Environment” are also held every year on this day. The college campus boasts of several species of trees and is lush and green throughout the year. Cutting of trees is strictly prohibited in the college campus. Cleanliness drive are taken in the college campus by the members of NSS, NCC and some of the departments. It is quite a regular feature. Besides, there are two permanent sweepers assigned with the task to clean the college campus daily. Moreover, the waste is carried away from the college campus by the town Municipality Board.

REPORT ON WORLD ENVIRONMENT DAY 2019, RAHA COLLEGE

World Environment Day was celebrated on June 5th 2019 (Monday) with a day long programme. All the teachers, office staff and a large section of the students participated in the programme. The programme started with the traditional lighting of the lamp and speech by the Principal and some HODs about safeguarding the environment and the hazards caused by plastic pollution. Thereafter, one hundred saplings were planted in the college premises and nearby areas by the teachers and students of the College. The motto of the programme was "One Earth". A quiz and a drawing competition were also held on the occasion. Twenty students participated in the quiz, which was on the topic "Environment and Sustainable Development". A drawing competition on the theme "Green Earth" was also organized. Around 60 students took part in the drawing competition.

REPORT ON WORLD ENVIRONMENT DAY 2022, RAHA COLLEGE

Raha College celebrated World Environment Day on June 5th, 2022, after a gap of two years. The College couldn't celebrate World Environment Day in 2020 and 2021 due to lock down because of Covid pandemic worldwide. This programme was attended by most teachers and office staff of the College. Today, being Sunday, the turn out of students was relatively less. The principal of the college in his speech highlighted about the harmful effects caused on the environment by deforestation. The HOD of the Geography department spoke on length about plastic pollution and this problem can be addressed. After this session, there was a plantation programme where teachers and staff of the college planted saplings near the ponds adjacent to the college.

REPORT ON WORLD ENVIRONMENT DAY 2018

World Environment Day was celebrated on June 5th, 2018 at Raha College campus. All the teachers, office staff, along with the secretaries of Raha College Students Union and students in general, took part in the celebration. The programme started with a speech from the Principal of the College on "Safeguarding the Environment". The Vice Principal of the College also spoke on the occasion informing everyone present about the harm caused by smoke and dust pollution. Two faculty members from the Geography department spoke on plastic pollution and strategies to make the college a plastic free zone. After this session, a few saplings were planted on the College premises. Some lady teachers from the department of Education, English and Assamese planted flowers in the college gardens. Later a quiz competition on the theme of "Environment" was held in the college auditorium. Fourteen students participated in the quiz competition.
